Sub.: Request for Visa appointment for the Indian Women Tug-of-War team.

Your Excellency,

The Indian Tug of War team will be participating in the World Championships Tug-of-War Outdoor 2022 scheduled to be held in Holten City, Netherlands from 14th to 18th September, 2022. The Tug-of-War Federation of India has received an Invitation to participate in this Championship.

A 22 member team including sports persons and officials have been selected to participate in the above championship and they have approached the VFS Global Netherlands Visa Help Desk, New Delhi to process their Visas application. But the VFS informed the team that schedule for online appointment is as per availability of slots and now the appointment is available after 26th September, 2022.

As far as athletes/team is concerned the World Championship is the most important event and the participation is very much essential to their sports career. Since the Championship is to be held from 14th to 18th September, 2022, the team members have to receive their Visas much prior to the date of starting of the championship as they have to cover the travel period also.

We shall, therefore, request for your kind direction for early consideration and process of the Visa applications of the Indian Tug-of-War team so that the Indian team could participate in the prestigious World Championships Tug-of-War Outdoor 2022 in Hotlen City, Netherlands.
