Lausanne, 4 June 2014

Tug of War International Federation (TWIF)

Dear Mr McKeever,

Thank you for your request addressed to the IOC Sports Department, which is responsible for relations with the IOC-Recognised International Federations.

As mentioned in a letter dated 6 August 2003 from President Jacques Rogge, the International Olympic Committee recognises the Tug of War International Federation as the sole global governing body representing the sport of Tug of War.

As per the Olympic Charter, an NOC may decide to include the national federations of such IFs as members of their NOC:

- Rule 28.2: *The NOCs may include as members:
2.1 national federations affiliated to IFs recognised by the IOC, the sports of which are not included in the programme of the Olympic Games;*

We remain at your disposal should you require additional information regarding the TWIF, an IOC-Recognised International Federation.

Yours sincerely,

Kit McConnell
Sports Director
